

X-ray Bookings Online

From 1st July 2025, you can now book your routine X-ray online!

If your clinician refers you for a [routine X-ray](#), you should be contacted within two working days.

Depending on the type of examination, you may receive a text message, inviting you to make an appointment using our booking portal called [Swiftqueue](#).

Please follow the instructions to login / register an account. This will allow you to choose an appointment time that is most convenient for you, without the need of contacting the hospital directly.

If you have not heard from us after two working days, please contact the Hospital's Radiology Appointments team directly - contact details can be found on the Mid and South Essex Hospitals' website: www.mse.nhs.uk/radiology-services.
